Dear Parent/Carer

Your child has been chosen to attend a university progression group. The group focuses on helping prepare students for the rigour of undergraduate study, with the aim of bettering their chances of achieving a place at an elite university. The sessions will run every other Wednesday after school from 3:30pm to 4:30pm. The first session will take place on Wednesday 14 November.

During these sessions students will read about, debate and analyse a variety of different thought provoking topics. The sessions will be based around the 'Oxplore Agenda'; Oxford University's new programme made up of 'big questions'.

Alongside helping your child prepare for undergraduate study, the opportunity to engage critically with a range of topics will help prepare them for their upcoming exams. The sessions are optional; however, this is an invaluable opportunity and thus your child is encouraged to attend.

If you have any questions, please do not hesitate to contact me.

Yours sincerely

Miss C Earnshaw

Head of Year 12

Headteacher: Mr B Corbett, MA, BA (Hons), NPQH
