2 October 2020

Dear Parent/Carer

IMPORTANT CHANGE TO PE DAYS AND UNIFORM

In order to ensure we are adhering to social distancing protocols; it has been decided that from **Monday 5 October** students must come to school in their full Moor Park PE kit on the day they have a PE lesson.

Students must wear their blazer over the top of their PE kit, they may wear their school jumper as well if they are cold. Students cannot wear any other sports top, hoody or jacket underneath their blazer, it must be full Moor Park PE kit and/or school jumper only. Students can bring a change of shoes in case their PE trainers get wet or muddy during PE.

Any student who is not wearing their full PE kit with blazer will get a uniform detention.

A reminder too, that Autumn has arrived and particularly on a PE day, students will need a warm winter coat that is waterproof. Due to social distancing constraints and the safety of all our students, we cannot provide an indoor provision for wet lunches and breaks.

Thank you for your support.

Yours sincerely

Miss U. Ishtiaq
Deputy Headteacher
