

Home Learning

Parents

1. All class work and homework will be set using Microsoft TEAMS, through the student's school Office 365. A link for Office 365 is available at the top of our homepage.
2. All students must follow their normal timetable, lessons will be a mixture of live teaching and set work.
3. The school day can be found on our website [HERE](#)
4. Teachers will collect in the completed class work and homework through Microsoft TEAMS.
5. Where appropriate, feedback will be given through Microsoft TEAMS. Students can then act upon this feedback
6. Parents should encourage and support their child's work – including: finding an appropriate place to work and checking that set work is completed by the end of each day.
7. All students have received training in how to access their class TEAMS, which is accessible on all windows computers, Apple computers (e.g iPads and tablets) and smartphones, providing they have an internet connection. Those students accessing TEAMS on a smart device will need to access it by downloading the app.
8. TEAMS user guides are available [HERE](#) and you can watch a youtube video [HERE](#)
9. If your child does not know their password for office 365 they can contact the ICT team on itsupport@moorpark.mp

Students

1. All class work and homework will be set by teachers using TEAMS, through the student's school office 365.
2. Office 365 can be accessed through a link at the top of the school website.
3. All students must follow their normal timetable, lessons will be a mixture of live teaching and set work. The school day can be found on our website [HERE](#)
4. Students should access TEAMS at the start of each lesson to gain the work assigned.
5. Any questions for the class teacher should be submitted through TEAMS.
6. Students must complete all work set. If they have any issues that should contact their teacher via TEAMS.
7. Work should be submitted to the class teacher through TEAMS.
8. Students should act on feedback given.
9. All students MUST be familiar with the live lesson protocol which can be found [HERE](#)
10. School will not be providing exercise books or textbooks for this short time, however, if you do not have any resources to complete your work please let school know.
