Dear Parent/Carer

**Re: Year 11 Further Education Transition**

I wanted to write to you personally to outline the systems we have put in place to support your child's transition to further education during this time of partial school closure.

It is at this time of year that Year 11 students would ordinarily begin to apply for sixth form, either here with us at Moor Park, or with a different further education provider. I would therefore encourage you to speak to your child to ensure that they have a plan in place for their next steps. If they are still unsure about their options, or would like to discuss what Moor Park Sixth Form can offer in terms of support, please contact us at [sixthform@moorpark.mp](mailto:sixthform@moorpark.mp) and we can arrange for a member of the team to get in touch.

We will be continuing to offer support through our independent careers advisor, Mrs Khan, who is working with us every Thursday. Your child will receive a 1-1 appointment with her to talk through their options and next steps. You will receive a notification through ParentApp with the date and time of this appointment, please encourage your child to attend on Microsoft Teams.

For students who have decided to continue their studies with us here at Moor Park, we will shortly be sending out information on Teams and ParentApp about how to apply, using the link on the website. Students can apply now via our online application form, with interviews being held after February half term.

Please also take the time to watch our short promotional video about life at sixth form. It is a shame that this year we cannot invite Year 11 students into school for taster sessions and masterclasses as we normally would, but we hope the video gives you a sense of our sixth form community and the work we do with our students. With a maximum class size of 10 students and no more than 40 students per year group, we are wholly confident that when schools do reopen, we will continue to provide a safe, secure environment for your child. The size of our sixth form also allows us to offer the one to one support that allows our students to excel and secure places at the best universities.

If you have any questions at all about the sixth form experience, please do not hesitate to contact me at [sixthform@moorpark.mp](mailto:sixthform@moorpark.mp) or by calling the main school number and choosing the option for sixth form.

Yours sincerely

**Miss J Morgan**  
**Assistant Headteacher (Sixth Form and Careers)**

Headteacher: Mr B Corbett, MA, BA (Hons), NPQH
